RE: Application of Moving Professionals, LLC d/b/a Moving Pros for a Class E  
(Household Goods) Certificate of Public Convenience and Necessity for  
Operation of Motor Vehicle Carrier  
**Docket No. 2016-118-T**

Dear Jocelyn:

On behalf of the Applicant, and pursuant to Commission Rule 103-834, I request that the Commission grant Applicant leave to take the deposition of a witness (or witnesses) chosen by the Applicant at a time and place to be agreed upon by the parties in the above-referenced Docket. Any such witness(es) will testify as the Applicant's shipper witness(es), and do so via deposition and in lieu of an appearance at the hearing in this case. Allowing testimony via deposition will accommodate the schedule of any such witness. I have spoken to counsel for the South Carolina Office of Regulatory Staff ("ORS") regarding this request, and the ORS does not object.

The facts that Applicant seeks to establish by deposition are those that support Applicant's application in this Docket: that there is statewide demand for household goods moving services that is not current being met.

The deposition(s) will take place at a time mutually agreed upon by the parties, via telephone or otherwise, at the offices of Adams and Reese LLP, 1501 Main Street, 5th Floor, Columbia, South Carolina 29201.

With kind regards, I am

Very truly yours,

ADAMS AND REESE LLP
